

The Mary & John Gray Library accepts materials as in kind donations to Lamar University. In general and at the discretion of library personnel, the Library will not add to the collection duplicates, textbooks, materials that are dated, materials that do not support the academic programs at Lamar University and Lamar Institute of Technology (L.I.T.), or materials that are in poor condition. If requested, materials not added to the collection will be returned to the donor. Materials that are donated without this completed form, including contact information, may be discarded. Materials added to the collection may be removed and discarded at a later date. Because of space limitations, the vast majority of unsolicited book donations are not added to the collection. By law, the Library cannot provide an appraisal of any donated material.
