VI. New Business

Jana Daigle is updating the Staff Senate website because our website is not SACS compliant.

A general discussion was held on several items that were brought to Staff Senate for assistance. There have been some departments that do not want to participate in Staff Senate because they think that it is a waste of time and that nothing is ever accomplished through it. There are some discrepancies across the campus about some departments not being allowed to give raises and some being able to. There is some confusion on the procedure for how a position is posted. HR is allowing some departments to post jobs with commensurate as a salary to hide the fact that the job pays very low. If evaluations are done and no one looks at them and doesn't receive raises or promotions because of them, then why are they done? Also, why are some departments not doing their evaluations and no action is taken against them?

VII. Good of the Order

VIII. Adjournment

The meeting was not adjourned because a quorum was not seated.
