“Santa’s Unlimited” was presented by Cherrye Moore with Student Affairs. The program accepts donations to give needy Lamar Faculty, Staff and Student families presents for Christmas.

Employees may pick up applications with needs in Student Affairs office – deadline is October 31st. Employee’s can also donate items without picking a specific “needy family”. Christmas trees will be decorated in the Setzer Center with the list of items needed. You may take a needed item, purchase it, then bring it to the Student Affairs office to be wrapped and dispersed. A “Santa’s Work Day” will be held with snacks to wrap all presents.
